Top Ten hits of 1980:

1) Another One Bites the Dust- Queen
2) Wonderer- Donna Summer
3) Woman In Love- Barbara Streisand
4) Lady- Kenny Rogers
5) It's Just a Fantasy- Billy Joel
6) Dreamer- Supertramp
7) Whip It- Devo
8) Stop Me- Donna Summer
9) Never Be the Same- Christopher Cross
10) I'm Alright- Kenny Loggins

Your beat might be the boogie or disco or maybe you'll even get down with the Texas two-step. But the hottest news is that rock-n-roll is ready to dance again. From Blondie to the Rolling Stones, rock-n-roll is the music for stepping out.

Country music is hopping, too. Thanks to *Coal Miner's Daughter, Urban Cowboy,* and *Honeysuckle Rose,* all America is finding out that Country music isn't just sitting down music. Eddie Rabbit, Johnny Lee, Willie Nelson are also proving that Country music can really swing.

Disco made the most of the "Big Beat", and the New Wave listened. But disco is getting a second wind. A few years ago, it was a revelation, now it's old faithful, an almost scientific combination of elegance and ecstasy. Michael Jackson, The S.O.S. Band and Lipps Inc. are among the popular disco groups that filled the disco floors full of dancers, the ceiling exploding with lights, and the pounding of the groups' latest hits.

It's that season again, as the climate warms and the grass gets green, baseball fever is once again instilled in the air. Last year the Raiders were under the pressure of having a new and young coach. They started out the season early having long, weary practices in order to get the basic fundamentals down and the batting better than average. The team will be an underdog this year but only time will tell if they are successful. They will rely heavily upon their Seniors to help them through the season. GOOD LUCK!

About the only togetherness on the track teams are the meetings before a meet and the sharing of victories afterwards. Beyond that track and field is an individual sport. The desire to win to improve, is a personal goal. The techniques taught and learned are only tools to be used to attain the victory. For only as one victory builds upon another does the team, as a whole, succeeds.

And so it went with the 1980 Boys and Girls Track Team. The Girls Track faired the more successful season. They completed an undefeated dual-trangular meet season, captured the Ajo Lion's Invitational championship, broke nine school records, and four team members had individual event times which were the best in the state. Coach Dunlap and Coach Powers will long remember the 1980 season.

The Boy's Track Team had a moderate season, but are looking towards the 1981 season with great anticipation. The experiences of the 1980 season will provide the fuel for the 1981 season.

AHS GOLF

The season begins like any other. Coach Farmer has been recollecting the accomplishments of last year's season, remembering about the other teams in the league, making predictions based on his returning lettermen and the upcoming hopefuls, and probably doing a lot of wishing.

Like Track & Field, golf requires consistency and individual effort by each member if the team is to succeed. And unlike Track & Field each member is paired with an opposing team member, neither seeing fellow members until the match is over. It can be nerve wracking waiting as each player brings in his score and Coach Farmer begins his season like any other.

BASKETBALL IN PLAY

VARSITY

This year's Varsity Basketball team was one of experienced players, and their skill in playing the game was one of their best qualities, as well as their excellent team work.

The new coach, Mr. Jeff Dwyer, trained his team with enthusiasm and total committment. His unending support at the games, including his heated discussions with the referee at times, encouraged the players to strive to their fullest.

The crowds were always there, always excited, especially since there were five home games in a row.

The combination of hard work and desire to do the best possible job ever on the part of both players and coach created an extra good team, and all Ajo knows it and shows it.

And again.

The Varsity team enjoyed a very good season. Primarily because of Coach Garcia's coaching strategy. "By playing tough defense you take the scoring opportunity away from the opponent" said Coach Garcia. With the speed of this year's team playing tough defense becomes easier. "If we just had a little more height" said Manny Garcia.

When asked about the conference race Coach Garcia said "that half of the Class A teams could end up #1 in the Conference.

A Successful Season

Time out for strategy.

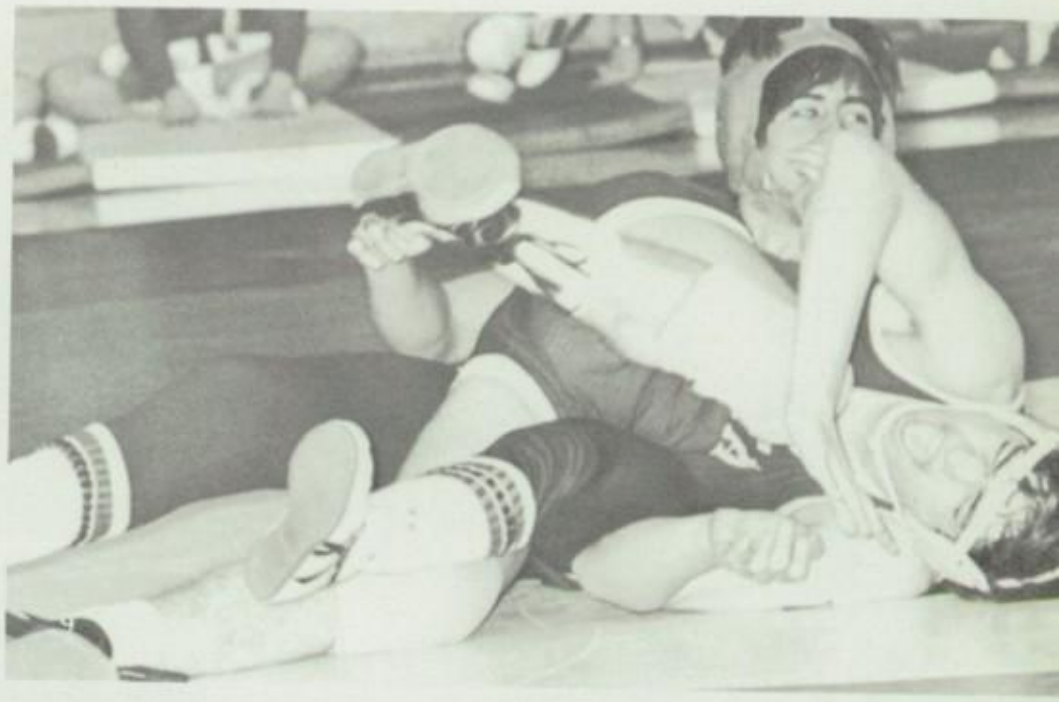
Mr. Dunlap encourages his players.

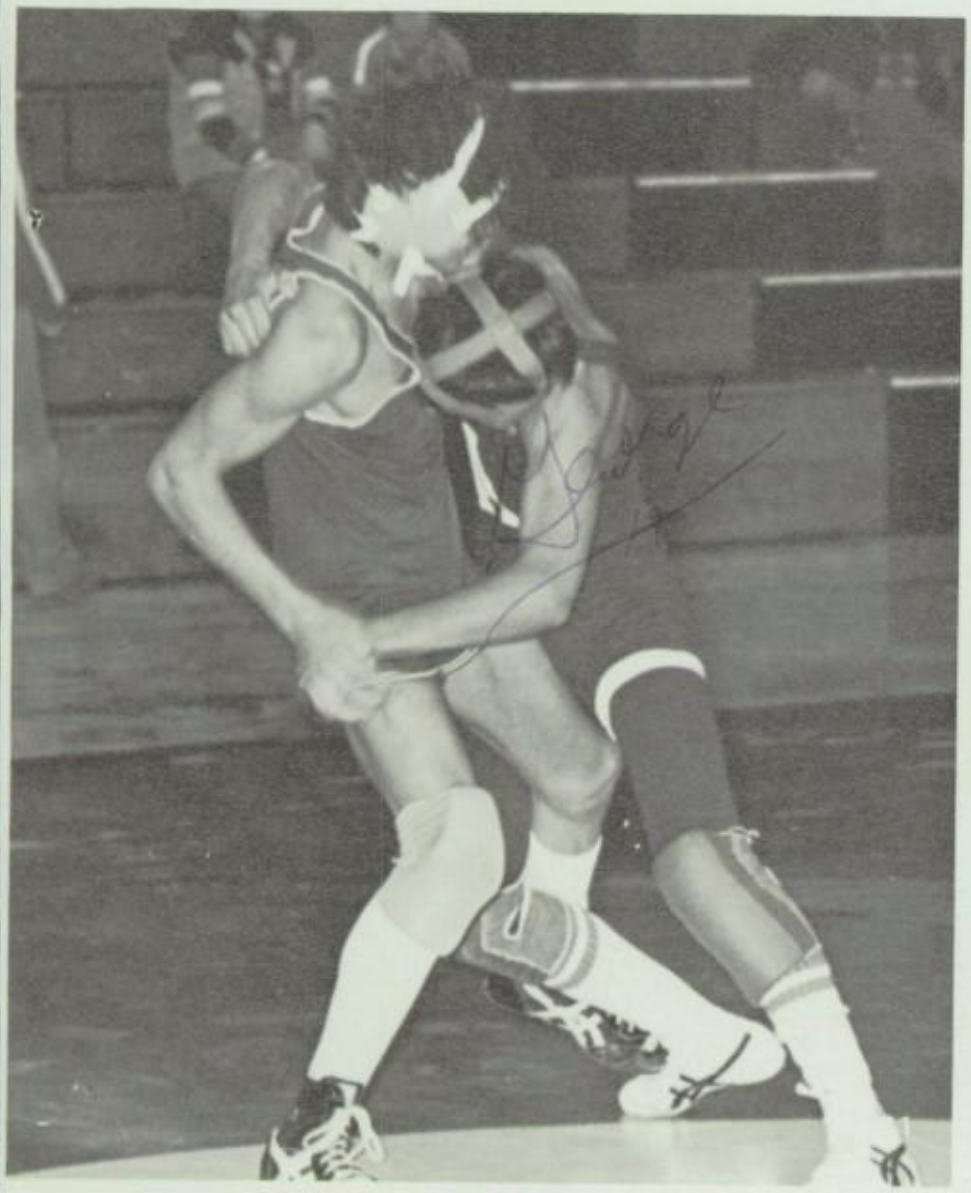
Where's the ball?

The J.V. team enjoyed an outstanding season with a 15 wins 2 lost season. The squad had 16 team members and all members contributed to the successful season. This years J.V. team had the best J.V. basketball record for Ajo High school. Many of the J.V. team members will play on the Varsity squad next year and hopefully carry on their winning ways.

Wrestlers . . .

2. Vinoe Celaya trys hard to pin his opponent.
2. Joel Lane demonstrates his wrestling techniques.
3. Danny successfully pins his opponent.
4. "I've got you now!"
5. Ronnie tries hard for a takedown to win his match.
6. Coach Cue studies his wrestlers in action.
7. This wrestler shows that wrestling with a Raider can be painful.
8. "You sweep me off my feet."
9. "Okay, Okay, I give up!"
10. One-two-cha-cha-cha!
11. Mike's opponent is glad that Mike uses Arrid Extra Dry.





Wrestling has been offered by Ajo High School for three years now. This year's coaches were Head Coach-Rick Cue and Assistant Coach-Joe Colaccico.

Wrestling is an individual sport as well as a team sport, but it is a sport which requires dedication, desire, and a lot of hard work. Some even feel that it is the most demanding of any High School interscholastic athletics. In terms of dedication and self-sacrifice nothing is comparable.

To prevent mismatching of opponents Wrestling has many different weight classifications. Therefore, wrestlers also have to watch their weight constantly. Working out, running an equivalent of a cross-country practice, and not eating a lot of times can be really difficult. Whether thin or heavy, a lot of hard work and getting in shape is involved.

This year Paul martinez, Chombie Olea, Gardo Olea, and Milton Avalos have had an outstanding year and have improved tremendously from last year. Chombie was the only wrestler last year who had the opportunity to go to state, but we certainly hope he and other wrestlers will go again this year. "We've had the most successful season in the short history of Ajo High School Wrestling" said Coach Cue. Hopefully Ajo High School had started a winning tradition that will stay with Ajo for many years to come.

We the Senior Class, looking back on our last twelve years of school, remember all of the good times and the times we choose to forget.

There was that first day of school with the scary feeling of being all alone when Mother says good-bye and disappears through the door; the feeling of pride when we took home our first paper where we scribbled something that was supposed to be our name; then the feeling of elation and relief eight years later on eighth grade graduation night.

Of course, our first day as a freshman seemed almost a repeat of the first day of school. The Big Rough Seniors humiliated us so badly we felt like crying for our mothers, then to top it off we couldn't find our rooms so we were late for class on our first day!

And now we have come to our last year in High School, it isn't possible that our twelve years are coming to an end. The days have slipped by all too quickly. Confusion and happiness jump in and out of our minds not knowing exactly how we feel about this final year. But the most definite feeling we feel is that part of our life is almost over but the biggest most important and certainly the most frightening is just beginning.

Ricky,

To a real sweet guy I've gotten to know this year. I hope will always stay good friends. I hope you've enjoyed your first year in High School! It gets better every year. I can't believe I'll be a junior next year! It went by so fast! I want to also wish you the best of luck in reaching your goals! I'm sure you will accomplish them! I hope you make the best of your remaining years at A.H.S. Stay sweet & cute & don't ever change. Have a nice summer! Take care & may God Bless You!

Always
your friend,
Carla Gavot

It's The Quality, Not Quantity

Ajo football fans were treated to precision drills performed by the Raider Band and intricate routines by both the Majorettes and Poms.

What fans didn't see were the countless hours of practice that it took for a single 15 minute performance.

Each morning 32 sleepy people awoke at extremly early hours to practice. Practice began at 7:05 in the morning and ended at 9:05. For an hour and ten minutes, the Band had to roll up their pants and march through the puddles of mud.

This year the Band had decreased in size, but that has not decreased their spirit or moral. They still take pride and accomplish, exactly, if not, more of the skill they had in years passed when the Band was much larger.

The Band was under the direction of Mr. Paul Cosand, who succeeded Mr. Ken Cheeseman. Mr. Cosand is a graduate of the U. of A., and has a degree in music. He came to Ajo from Gila Bend, where he previously taught the Band there.

Mr. Cosand's reaction was that the Band wasn't big, but the sound and the talent made up for the lack of size.

Besides playing for all of the home football games, the Band also performed at all pep rallies and assemblies. They also performed at the A.S.U. Band Day and received an outstanding grade. The Band also performed at the State Fair. After the parade, the Band enjoyed a fun filled day at the Fair.

3) Sonya Olea Tells Denise Garcia, Who is portraying Gardo Olea in a skit at a pep assembly, to *Take Your Time and Do It Right!*

"There's nothing like it when we unite. We'll put together and together we'll ignite."

This cheer describes the 1980-81 Raiderettes. Their task is to stir the sometimes quiet, slumbering students into excitement. It is their yelling, screaming, stomping, jumping cheers that propel the team to victory—*sometimes!*

The spirited Raiderettes returned from camp this summer with spirit, enthusiasm, and awards. They held many pep assemblies to get students to participate and to get everybody "high" in spirit. For their first pep assembly they performed to theme song from camp *Nothing Like It!*

On October 25, the Raiderettes traveled to Phoenix where they performed, along with the band, at A.S.U. Band Day. Altogether they received a 3 which is an Outstanding performance.

On November 1, the Raiderettes traveled to Phoenix again to perform at the Arizona State Fair. After their performance they enjoyed an exciting day at the Fair.

This year the Raiderettes are sponsored by both Mrs. Daisy Farmer and Mrs. Mary Garcia.

"The Raiderettes are a fantastic group with which to work. And their spirit shows it. They would make anyone proud to be a part of them," said Mrs. Farmer.

THE 80'S

Let's discuss this year's favorite subject, politics; and what a better way than to use the AHS Student Council.

The Student Council is elected to represent the students and make new programs, just like real politics; except that the Student Council does the work. Our Student Council even has two branches; the top branch and the bottom, I mean the Executive and Legislative branches. The Executive branch consists of the President, Vice President and the other council officers. Actually, the other council officers are more or less the President's cabinet; after all, he runs the whole shibang. The Legislative consists of two makeshift houses; the Senate made up of the class Presidents; and the House of Representatives, made up of the class representatives. As you see, this more or less follows the pattern of the federal government, except there is no rivalry between the branches.

The Student Council even has its own version of the Congressional Record; it is called the Student Council News (catchy name).

Ah, but even our Student Council has it's problems. They must have their programs approved by the administration. If it is in the interest of the student body the programs are most always approved. Then there is the outside pressure from the advisor. He makes sure the Student Council runs smoothly. But even now the events of major politics seeps into high school government, the two party system and nonparticipation from the governed.

May be we should be glad we don't have ABSCAM or Watergate.

Roll 'em-Drama Club

This year, a group of fine talented actors and actresses got together to form a club. The club, of course, is called the Drama Club.

The duties of the drama club is to produce different kinds of plays and present them to their awaiting public. Although they usually present one play every semester, this year they only presented one because of technical difficulties.

The main reason is lack of male participation. The club didn't have enough men to put on the play.

Next year the club hopes that all you young rising stars come out and try out for a part.

1) The Members of this club are: l-r Kathy Polansky, Mike Rau, Nancy Prebula, Leza Corban, Kim Huish, Robin Russell, Ingrid Helms, Angie Guffey, Georgina Castillo, Debbie Doyle and Suzanne Hoppe, bottom row are: Lynelle Henry and Shawna McGrady. 2) Drama club officers are: Lynelle Henry is Student Director; Nancy Prebula the President; and Debbie Doyle Treasurer.

FHA

The FHA is a fun, but hard-working group. The club meets on the first and third Tuesday of every month. They discuss and plan things they want to do during the year. To raise money, the club sold at the concession stand at all football games, they had their annual Bachelor and Sweetheart Dance, and sold calendars. Besides raising money, they had a Halloween dress-up party and a Christmas pizza party at the Pizza Hut just for fun! The club is sponsored by Ms. Stephanie Stock. You can say this is one of the most active clubs at A.H.S.

AFS

Coming from New Zealand is Leza Corban, Ajo High's fourth foreign exchange student. While in Ajo she is living with the Harry Hoppe family, who also hosted AHS's first foreign exchange student, Phillippe Monsonson. She likes Ajo and thinks the people are friendly and very supportive of AFS. Leza also likes rock-n-roll music, M&M's,Mexican foods, and pizza crusts?

At her school in Auckland she participated in badmitton, and was a member of the Student Council and Drama Club.

AFS is a world wide organization which promotes and improves understanding and peace around the world through it's student exchange program. The club's sponsor is Ms. Hatfield.

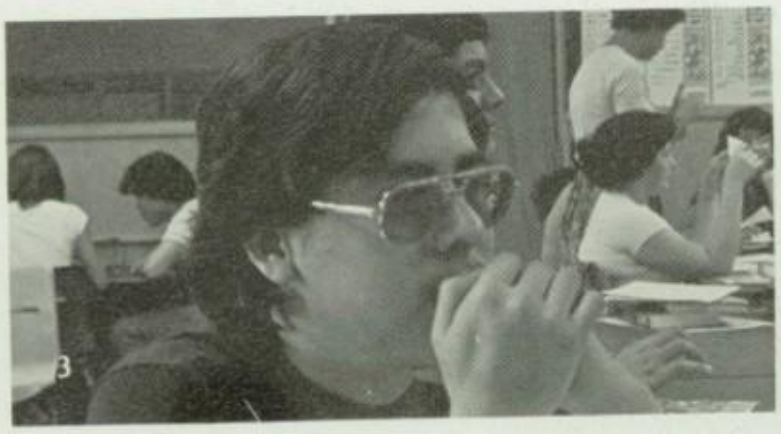
Gettin' It Together

What twenty students are here to record the 1980-81 school history? The Yearbook class.

What makes this class so unique? Well, it's simple, they have the advantage of seeing everything that goes into the yearbook first hand. A yearbook staffer works every school day in *"getting the yearbook together"* by knowing what is going on during the school year. A staffer has to meet many deadlines and present his own ideas in ways that will be attractive for the reader.

Being in the yearbook class is not all fun, it takes a lot of hard work and time. A staffer has to know many things about how to catch a person's attention, by how he presents his ideas and he also has to know the different equipment, sheets, and forms of layout. Most of all he has to have pride in his school to make *your* yearbook the best one yet!



1) Yearbook staffers do *research* for copy. pictured are: Lizzy, Dori, Valerie, Anna, and Lisa.

Indian Club

The purpose of this club, the Indian club is to learn more about the background and trade of their heritage. But, besides just that, this club also does things for fun like get together at the rodeo and just having a good time.

1) Three girls have a good time at the rodeo.
2) Indian Club members are Melissa Garcia, Malinda Marquez, Falicia Molina, Matthew Lewis, Katteri Bennett, Thoela Chico, Bernadine Salazar.
3) Umm, Umm Good!
4) Pop Overs in the making.

"Check Mate!" Chess Club

1) Chess Club members are: l-r Tony Bustmante, David Lopez, Frank Bustemante, Sonya Rayna, Michael Huerta, Mike Sheets, Tim Herinaka.
2) Officiers: President- Frank Bustemante; Vice President- Greg Osborne; Secretary- Sonya Rayna.

PEP CLUB

Members of the Pep Club are often called "Peppers" and they come in many different colors, shapes, and sizes and *sexes!* Peppers are people who support school activities by attending athletic events. This year the Pep Club went to Mesa to support the girls team at Volleyball divisionals. The Pep Club meets every month to discuss ways to raise money. They had bake sales and sold ribbons for Homecoming.

The Pep Club officers this year are Roxanna Lakey, President; Pam Harrison, Vice President; Cheryl Blake, Secretary and Rhonda Lakey, Treasurer. Mrs. Daisy Farmer is the club's sponser.

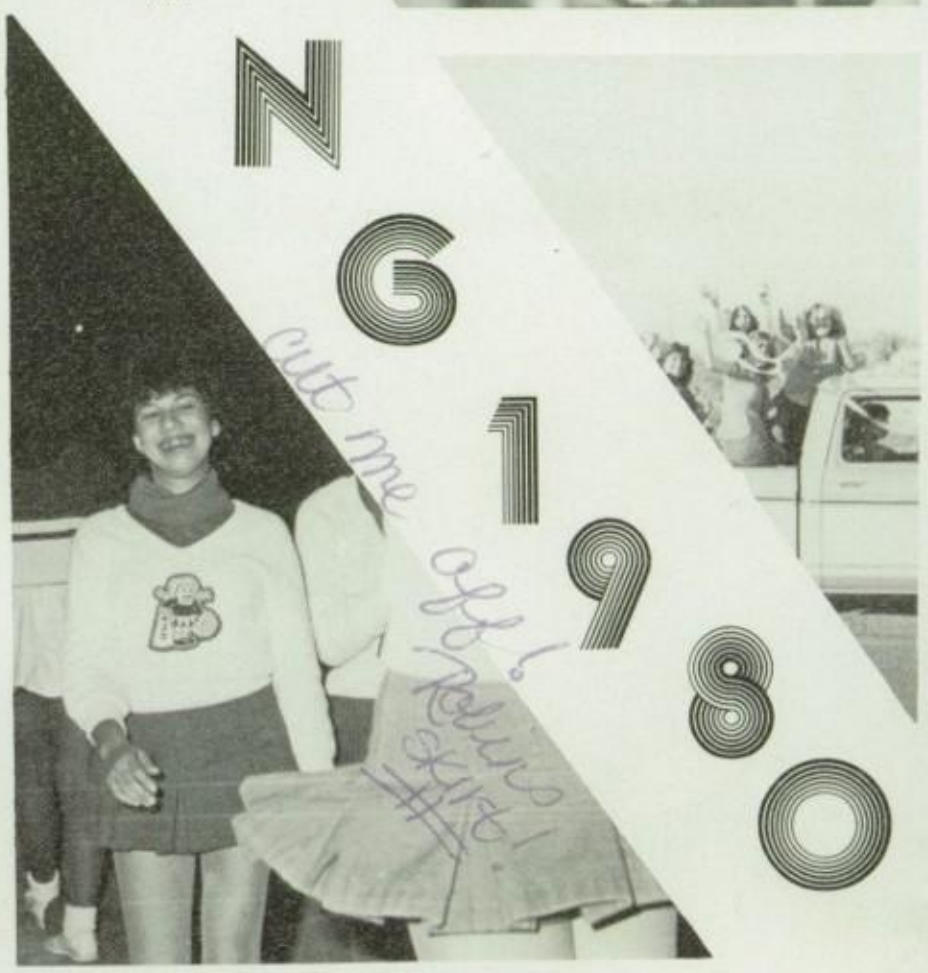
ACTIVITIES

HOMECOMING 1980



This year's Homecoming, held October 13 through 17 was filled with much fun, excitement and suspense.

Each year the Student Council selects a theme for the float competition and each class then depicts the theme in their float design. This year's theme was "Song Titles".

The Freshman took first place with their float and showed the other classes that indeed they were "Too Hot" to handle. The Junior's "Whip It" was enough to push the Sophomores into a third place spot, maybe they knew something when they selected the song, "Headed for a Fall", for their float. The Senior class must have been psychic and were thinking about Parker when they selected the song "We Are the Champions" float, as Parker spoiled the Homecoming week with a 14-0 defeat of the Ajo Red Machine.

Perhaps the brightest spot of the homecoming festivities was the crowning of the Royalty. This year's Homecoming Queen and King was Terri Gonzales and Jimmy Dunlap. The Queen and King attendents were Tammy Ivey and Rod Gilliam. Other candidates were Dolly Sotelo, Sal Santiago, Sonya Olea, and Mike Valdez.

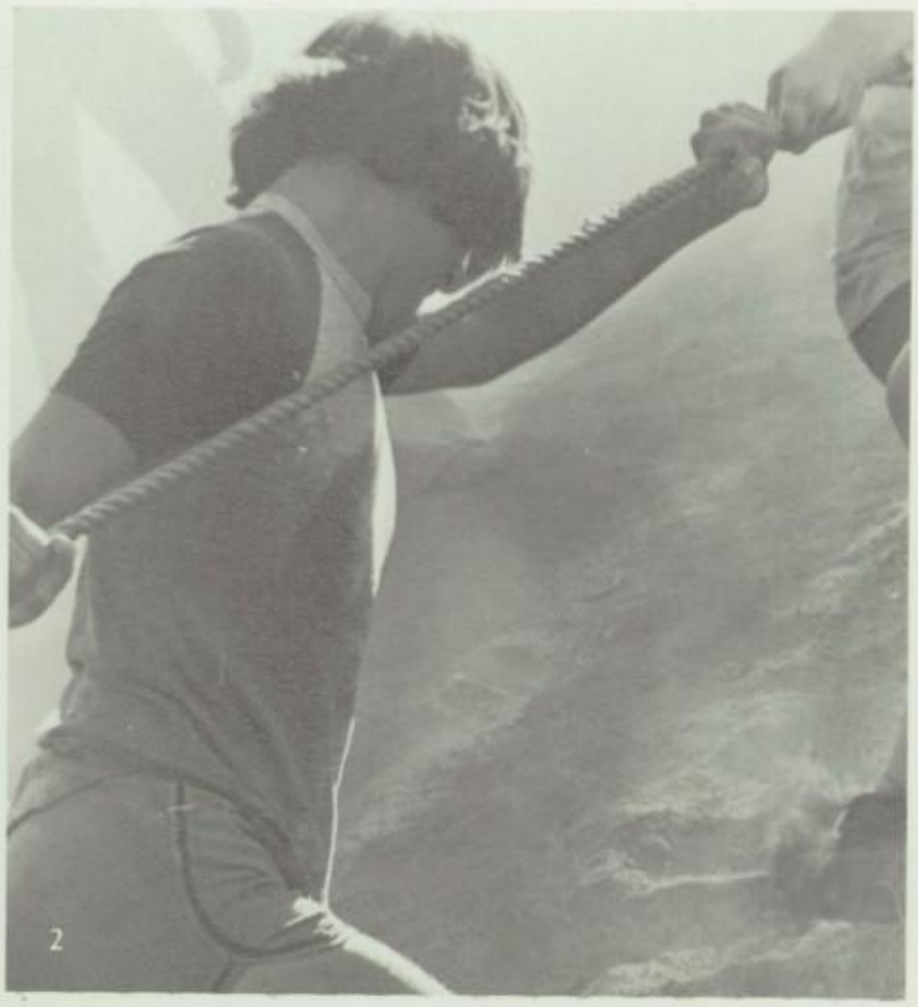
The Last Of The Tug-Of-Wars

Those who were fortunate enough to see the outcome of this year's tug-of-war, were the only ones to see the last one of its kind.

This was the last tug-of-war due to lack of class participation. There will be no more throwing people into the giant mud puddle, no more seeing who is the strongest overall class.

The overall standings of this year's tug-of-war were Seniors, Juniors, Sophomores, and Freshmen brought up the rear.

1.) Rod pulling the Seniors to victory.
2.) Joe Ford giving all he's got!
3.) "Hey guys, don't get me dirty!"



1.) "Okay, who's the wise guy?"
2.) Stride and determination.
3.) The determiner of the winners and losers.
4.) "Oooh!!"
5.) Trying to save the Frosh from defeat.

BY POPULAR DEMAND

This year part of the yearbook staff decided to do something different. A poll was taken to find the most popular, the best dressed, the most spirited, the class clowns, the most likely to succeed, and the most athletic students on campus. These people were voted on according to popularity by the student body.

The poll was taken in secrecy—not even all of the yearbook staff members knew the results. The reason for secrecy was to keep the student body in suspense. It was kind of like an Agatha Christie book — you have to wait and see how it turns out! So without further adue, here is the results of the poll.

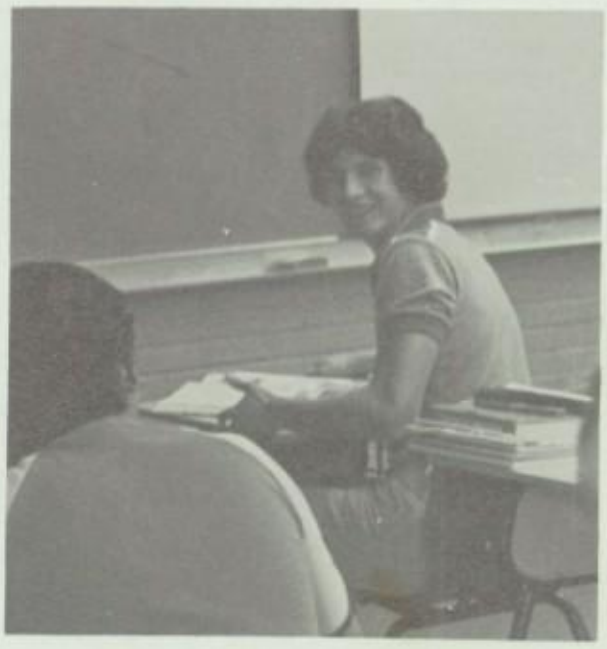
2. Robert Bloom
   Advanced Comp., World Lit.,
   English 3-6
3. Dixie Pearce
   Short stories, Mythology, Psych-
   ology, English 3-4
4. Edward Sandquist
   English 1-2

English is the favorite of many, the curse of others, but AHS always has full classes that are ably taught by Miss Hatfield, Mr. Bloom, Miss Pearce, and Mr. Sandquist.

Our school offers a wide choice in English; from Advanced Composition to Mythology, and more.

Each of the teachers has their own unique methods of teaching, so any pupil that takes English at this school is in for a great time.

ENGLISH



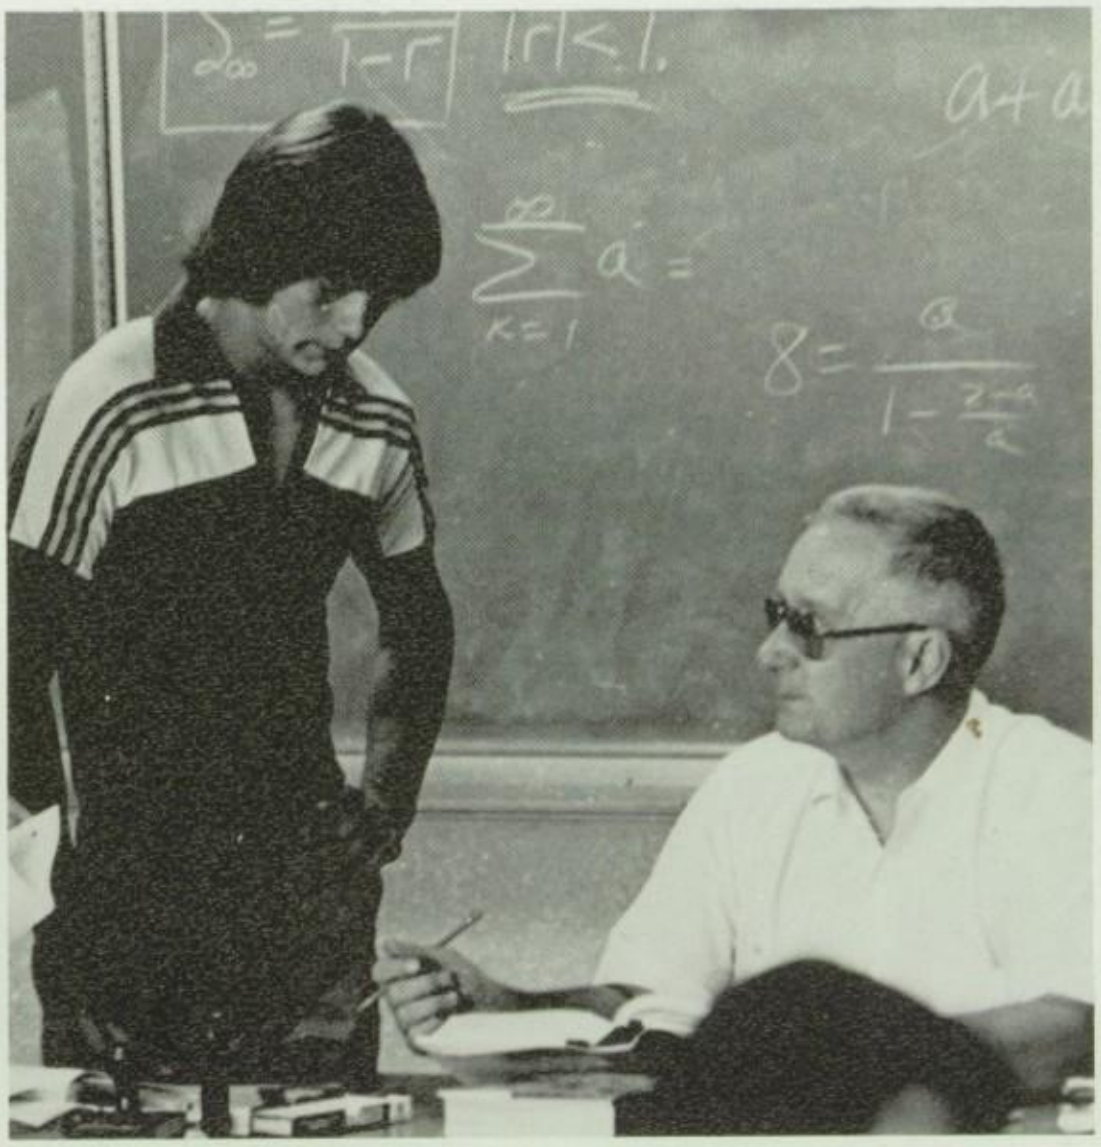
MATH

Even though Math has always been considered a difficult subject, our experienced teachers here at AHS have done their best to make it an enjoyable class.

Mr. Lowe was pleased to announce that this year he had more girls in his math classes, particularly the Senior Math and Algebra 3-4 courses.

Mr. Engel, Mr. Lowe, and Mr. Walters have once again given many AHS students a challenge in Math.

1. Orval Lowe
   Algebra 1-4,
   Math Analysis
2. Marion Engel
   Practical Math,
   Geometry,
   General Math
3. Gerald Walters
   Practical Math,
   General Math,
   World History



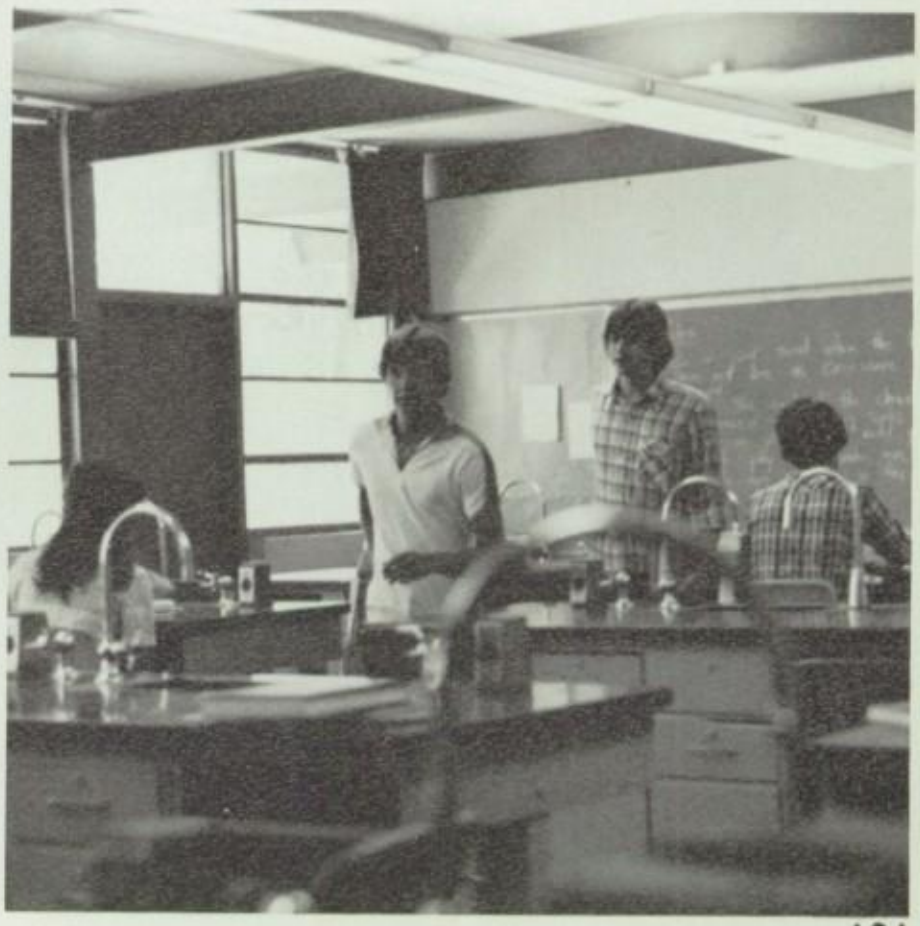
1. Marvin Silva
   Life Science,
   Earth Science
2. John Hickman
   Life Science,
   Biology,
   Physical
   Science
3. Daisy Farmer
   Chemistry,
   Physical
   Science,
   Physics

The Science department of AHS is taught by Mr. Silva, Mr. Hickman, and Mrs. Farmer.

To build interest in Science, Mrs. Farmer believes that activities are a valuable aid. A trip to the Palo Verde Nuclear Plant for the Physics class is planned, which will show science, in it's actual terms.

The study of science, although much work, will be valuable to the Ajo student as they encounter the new scientific age.

SCIENCE



1) Mark Holmes
Woodshop

2) Larry Fry
Autoshop/Welding

3) Michael Erickson
Drafting 1-6/Basic Electricity

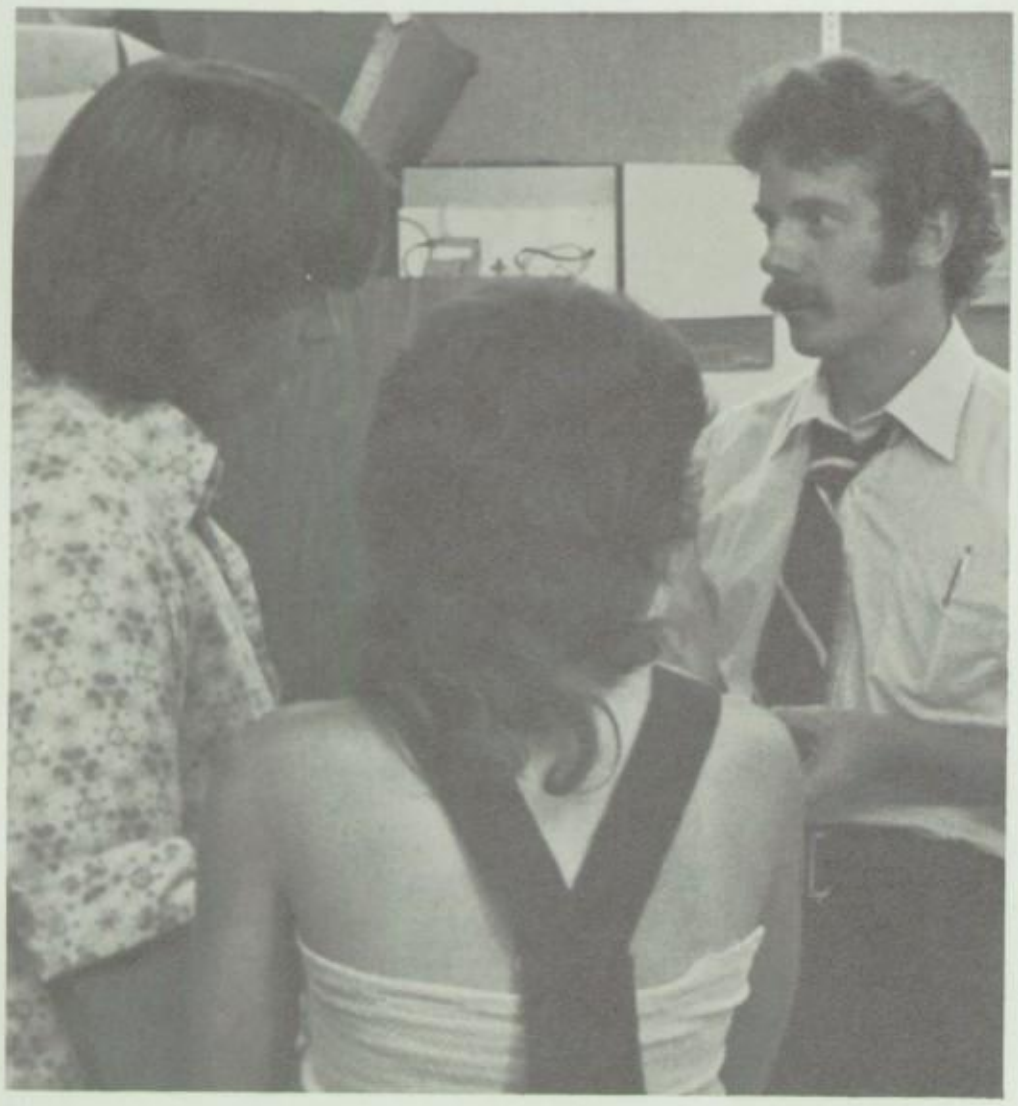
The popularity of the Industrial Arts department at AHS is high, and has been for many years.

Both boys and girls gain highly valued experience in the field of woodshop, autoshop, and drafting under the guidance of Mr. Holmes, Mr. Fry, and Mr. Erickson.

As each student produces another project, they are well on the way to a worthwhile career in an excellent area of work.

INDUSTRIAL ARTS

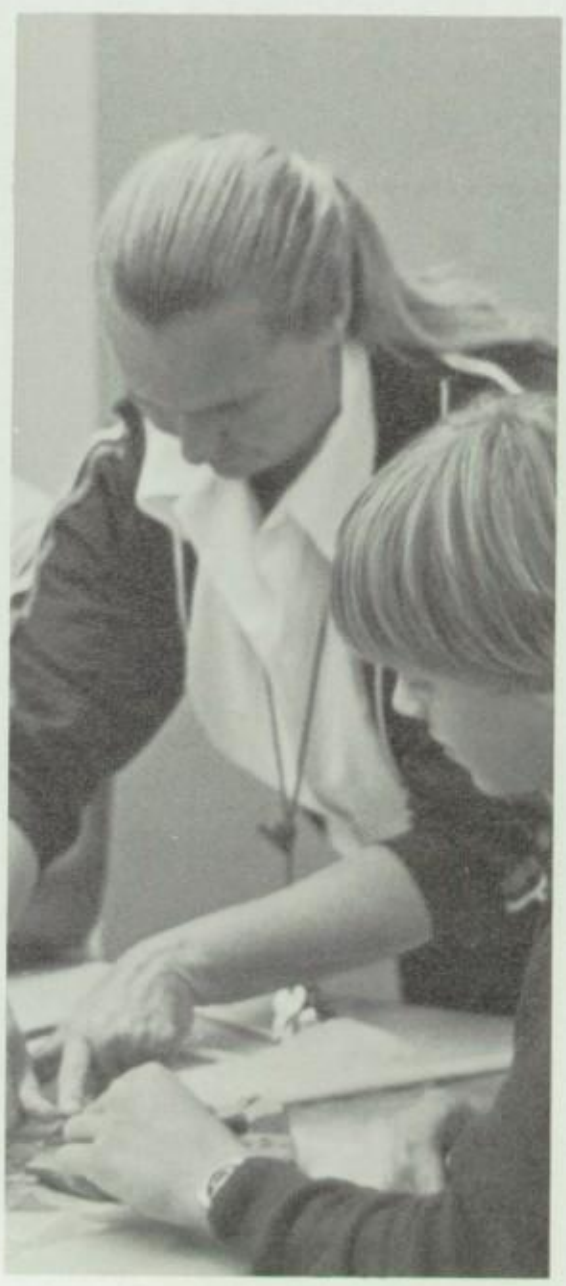
FINE ARTS



The Fine Arts department is taught by Mrs. Cameron and Mr. Reinagle, a new teacher to AHS.

The students are encouraged to use their creativity in the assignments they are given, and many works of a high standard are produced.

Art is an improtant release for the talents of many gifted students, and it is a field where no bounds are set on imagination and originality.



1. Damon Reinagle
Plastic, Art 1-2

SOCIAL STUDIES

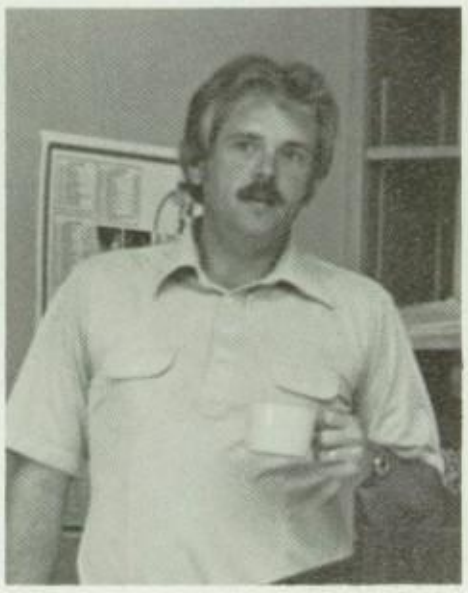
The Social Studies department has many classes, with American History (Mr. Southard), American Problems and Economics (Mr. Dwyer), Arizona History, World History, and World Geography (Mr. Spitzer).

This is the first year at AHS for Mr. Dwyer, who comes from New Jersey, and studied at the University of Nevada. He is the Senior Class sponsor and he is the organizer of the Disneyland trip after graduation.

Mr. Spitzer, who has been at AHS for four years has taught English for one year as well as the three classes he has this year.

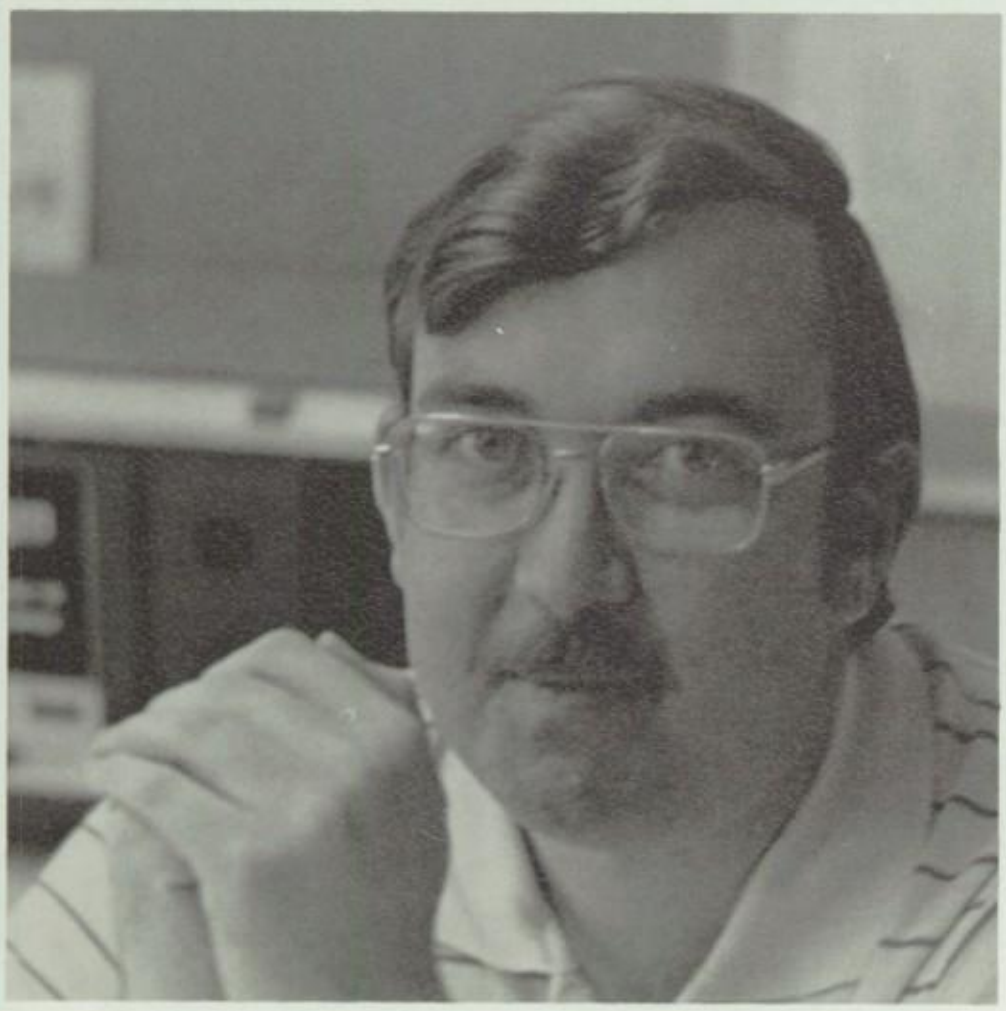
Mr. Southard is also teaching his first year of American History, and as his interests are in this field, he is enjoying his classes very much.

Social Studies is an area where the pupil can get involved in many activities which are both educational and fun.



1. Jeff Dwyer
   American Problems, Economics
2. Raymond Spitzer
   World Geography, World History, Arizona History
3. Dan Southard
   American History

1. John Byrnes
   Typing 1-4
2. Della Faye Holland
   Shorthand, Bookkeeping, Office Management



The courses offered in the business department are a practical benefit to the many students who choose to take the classes.

Boys are as numerous as girls in the typing classes, Mr. Byrnes' room being a favorite resort of his pupils.

Considering the present-day importance of business experience, it is easy to understand the popularity of this department of AHS.

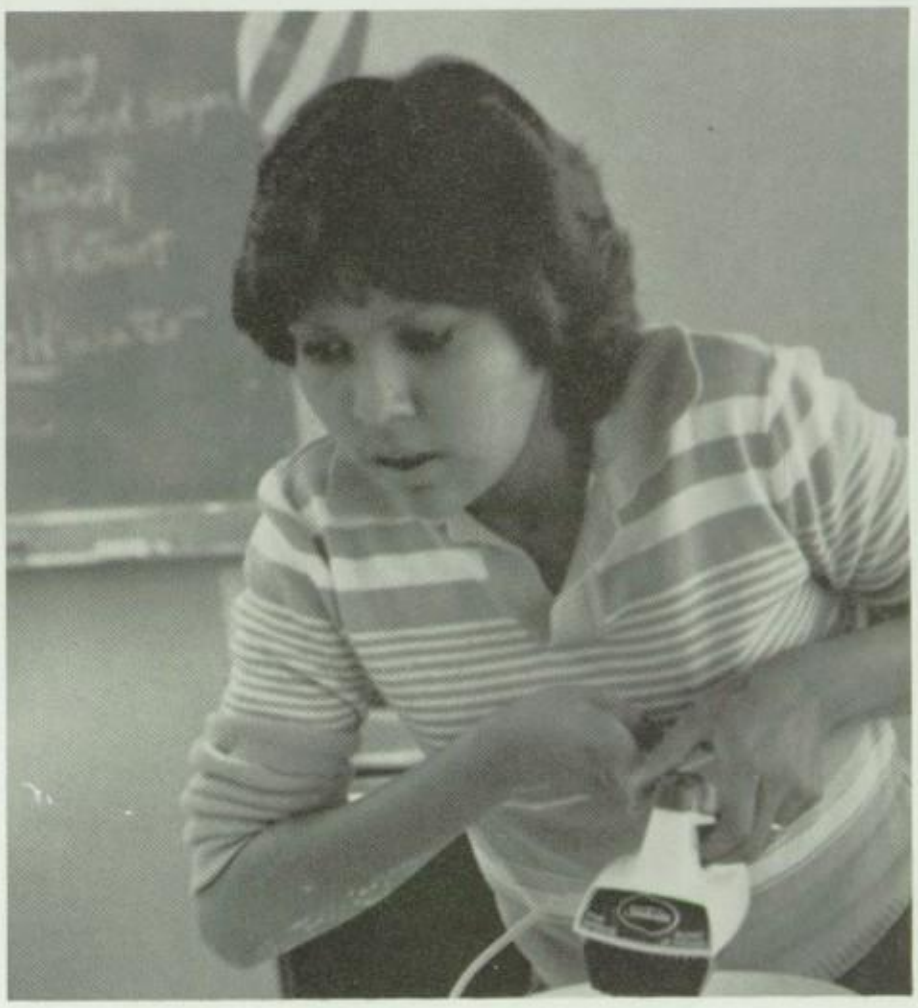
BUSINESS

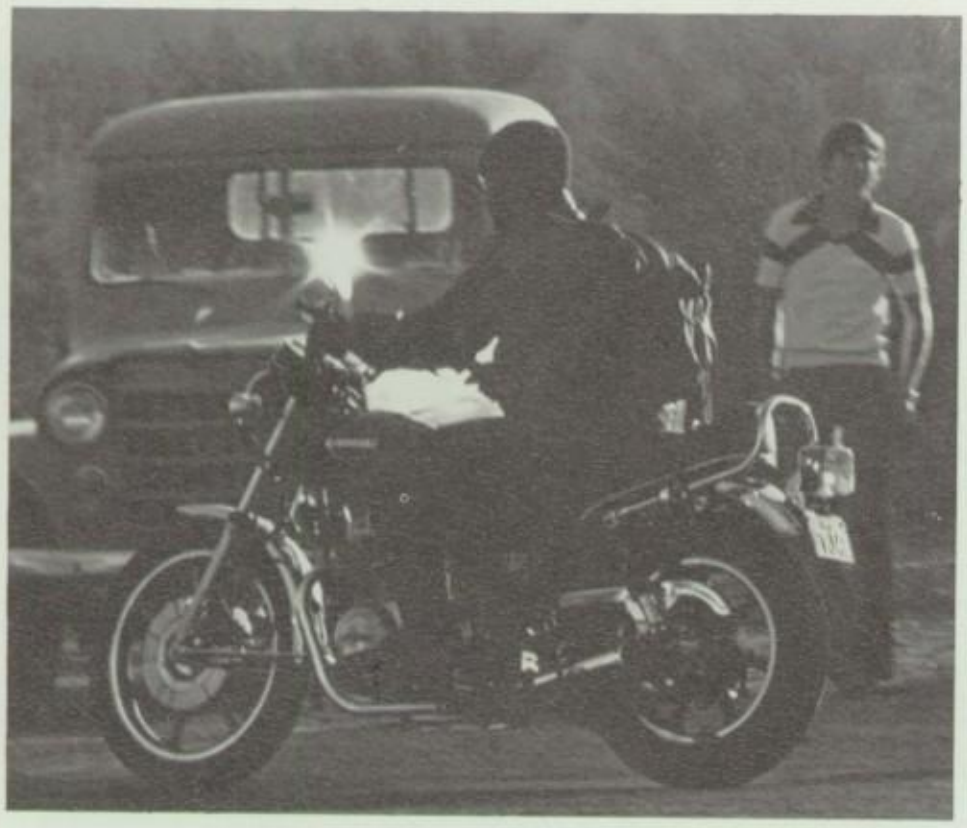
HOME ECONOMICS

1.Stephanie Stock Home Economics

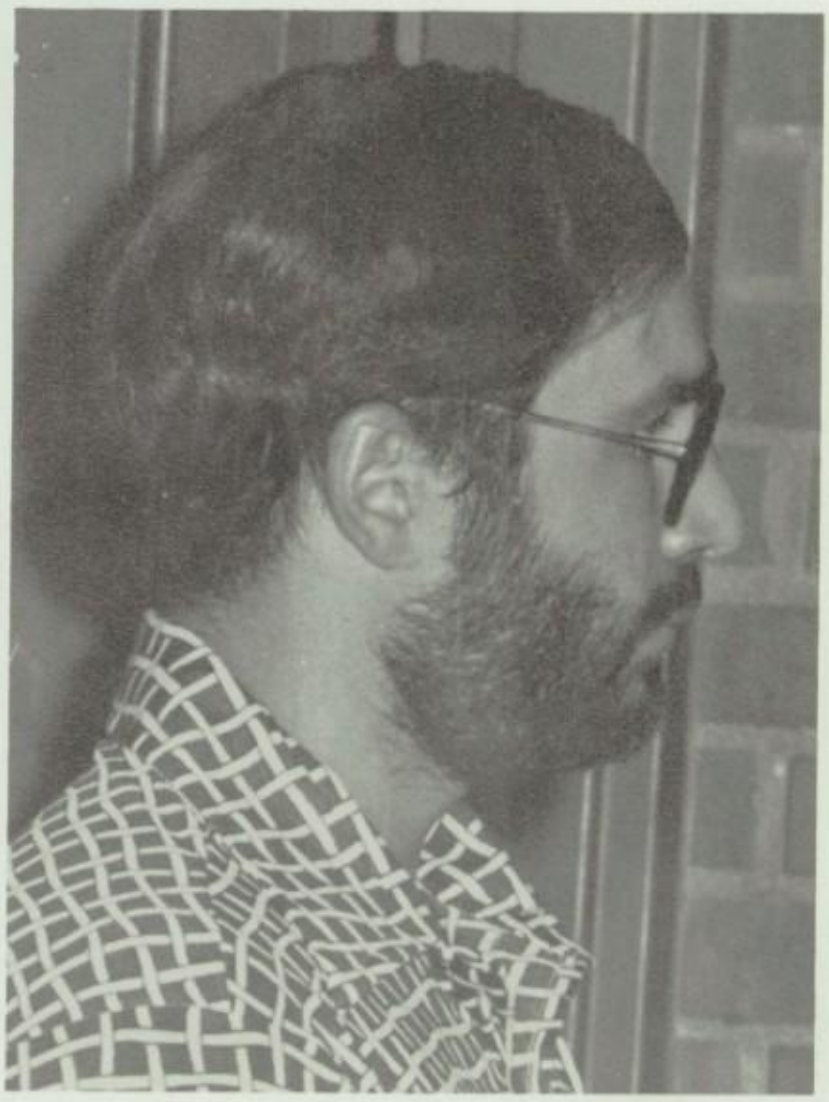
It is a well known fact that the students in Miss Stocks Home Economics class enjoy themselves immensly as they discover the art of salads, quick- breads, cookies, and all the other cooking delights that are created in the class.

One semester is also devoted to sewing, and Miss Stock encourages her student to be inventive in their creations.





1. Joseph Colacicco
2. Michael Conners
3. Ron Williamson



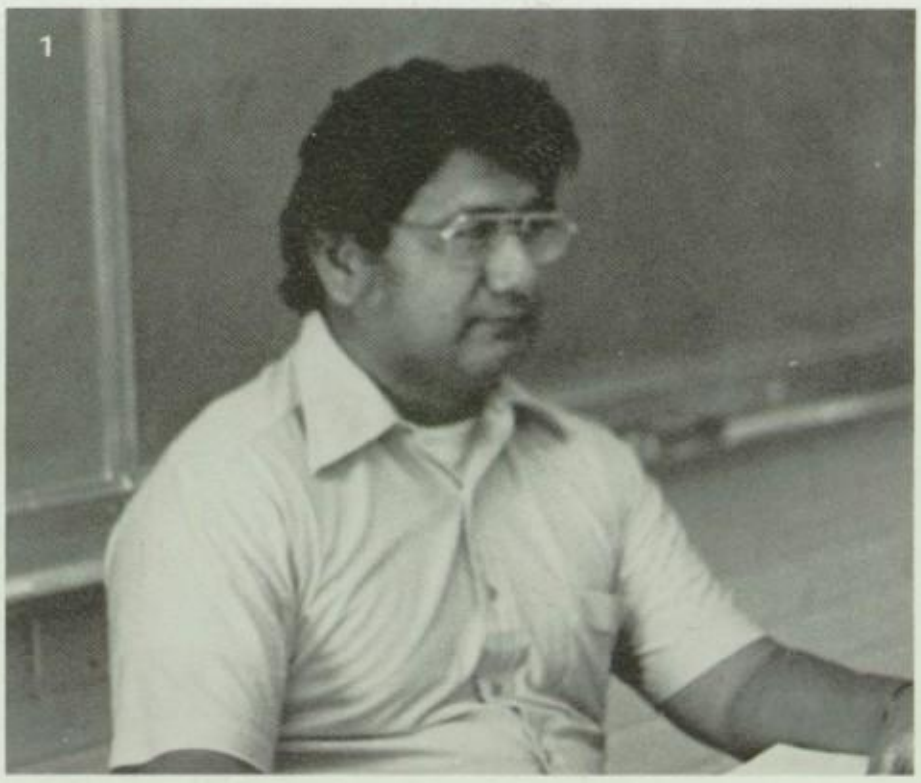
SPECIAL ED.

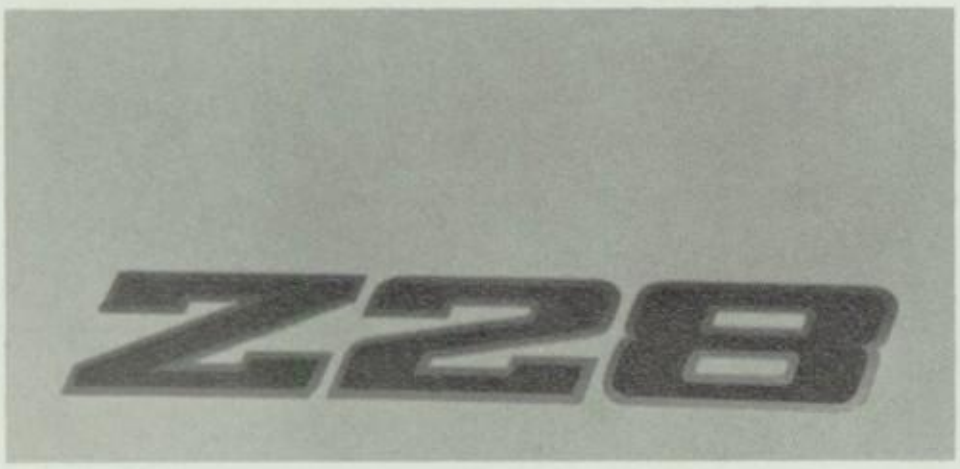
HEALTH-P.E.

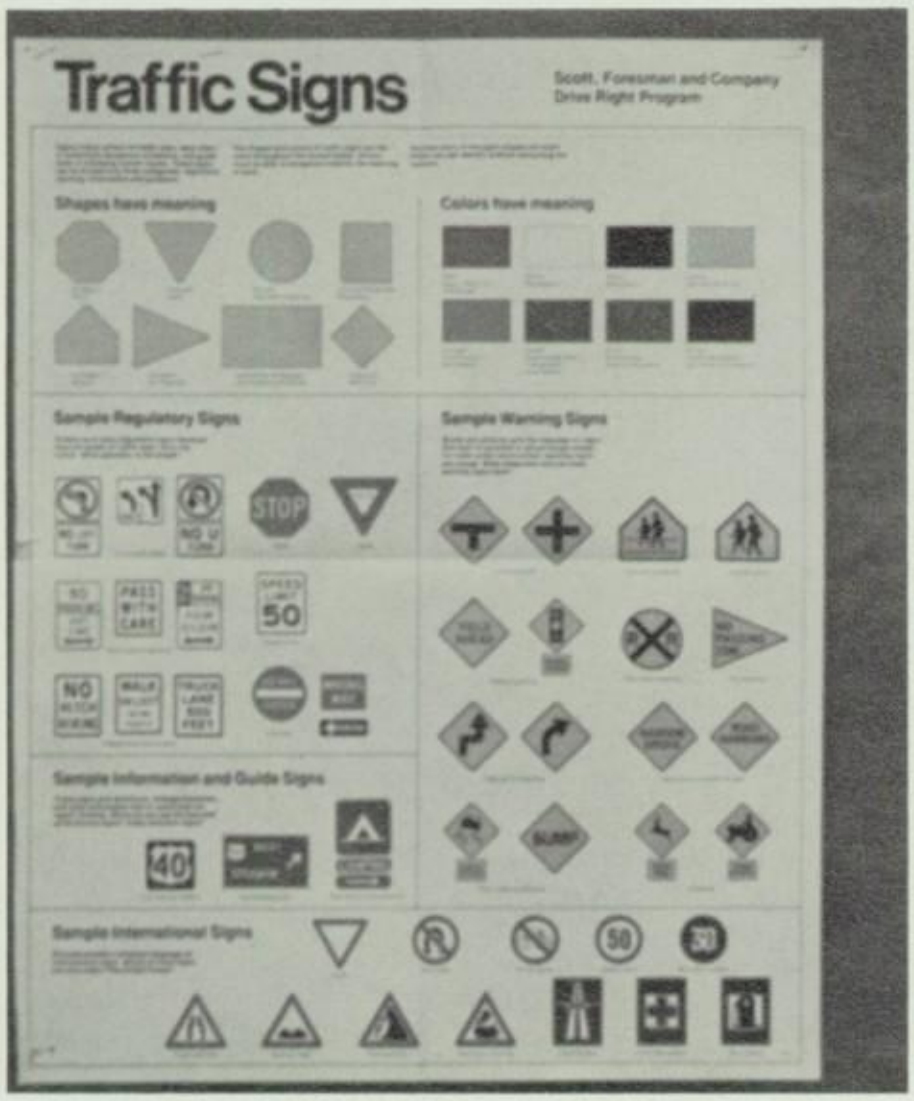
The Physical Education department at Ajo High is actively run by Mrs. Cameron and Mr. Forgia. During the year, the P.E. class do various activities like swimming, softball, badminton and archery that give the students the opportunity to experience sports they may never had the chance to do.

Health is a course that teaches the young people of Ajo the fundamentals about their minds and bodies. Many things are taken for granted about ourselves, but Mr. Nogales' class certainly clears the air for a lot of students. He explains many topics ranging from acne to alcohol, all of which are vital to the growth of a teenager.

1.Jose Nogales Health, Spanish







Mr. Dunlap has taught Ajo High students the importance of careful driving for several years. Due to his frank approach to teaching, he has reached hundreds of kids and has helped many get out of awkward driving situations.

The community owes debt to this fine teacher, and we can only hope he remains to guide students for years to come.

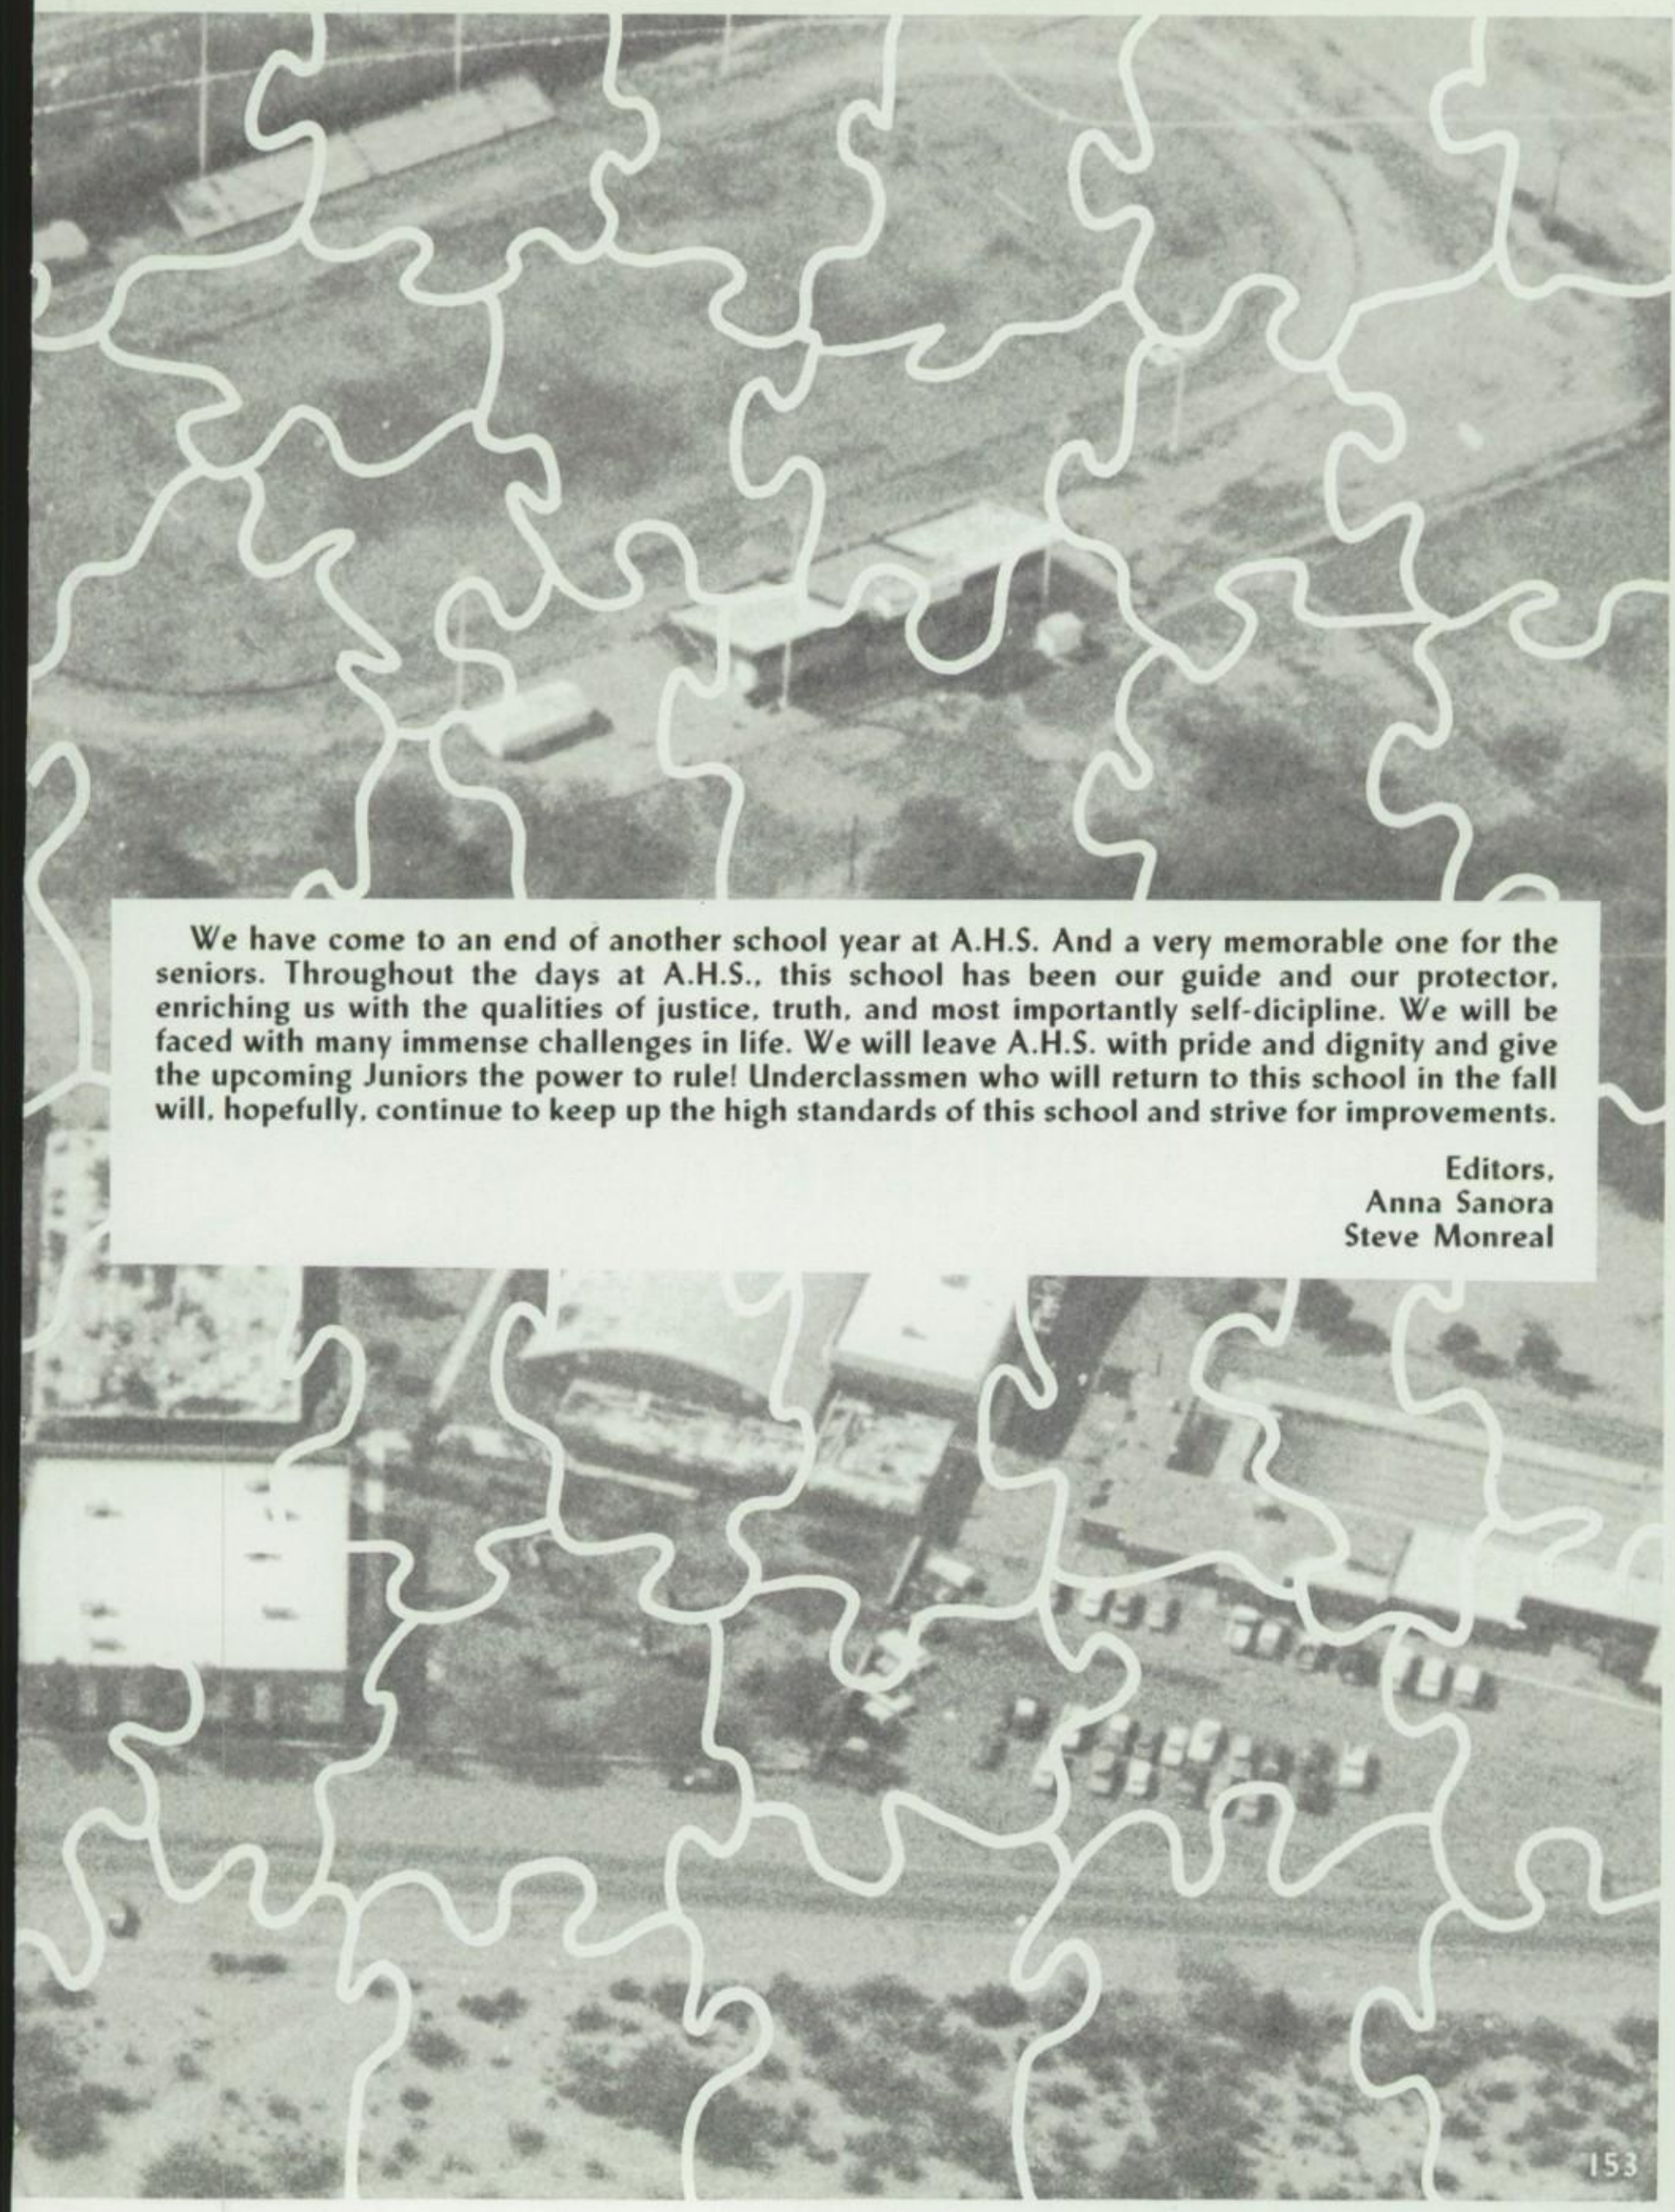
WE
GOT IT
TOGETHER!!



We have come to an end of another school year at A.H.S. And a very memorable one for the seniors. Throughout the days at A.H.S., this school has been our guide and our protector, enriching us with the qualities of justice, truth, and most importantly self-dicipline. We will be faced with many immense challenges in life. We will leave A.H.S. with pride and dignity and give the upcoming Juniors the power to rule! Underclassmen who will return to this school in the fall will, hopefully, continue to keep up the high standards of this school and strive for improvements.

Editors,
Anna Sanora
Steve Monreal

In the beginning, when GOD created the heavens and the earth he also created the first being. This being had the ability to see and record moments in time; and so GOD named him photographer. But, GOD forgot to give the photographer a brain. When GOD realized this he created a second being with a brain, and a mouth, so that he could help the photographer. When the second being saw the recorded images of the photographer he complained that none of his friends, or him were in them. When the photographer heard this he exclaimed, "Oh Lord! You've created a staff member!!!"

The two beings were constantly arguing with one and other so, GOD decided to create a third being to settle the first two down. GOD sat down at the planning table and began to create this new being. He have the new being powers over the others, power to settle fights and so on. GOD decided to name this being himself, he called this being: EDITOR; and the other two trembeled at this name. Everything worked out fine, but . . . It seems that when the others found out that the Editor would rarely argue over anything and when she did it was very quiet. Well the only logical thing happened, the fighting worsened.

GOD now decided to make an even more powerful being, more mature and wiser in years, and most importantly, not afraid to voice his opinion. GOD also gave this being certain attributes that would allow him to survive the first three. These attributes were: a commanding posture, courage, senility, and of course complete and total idiocy. When GOD presented the new being to the others they stared with wonderment at the door to the workshop. Suddenly, something stirred in the doorway, something that wore a conehead and Mickey Mouse ears! As the others realized what was happening they sank to their knees in abject terror as they screamed, "Oh No, an ADVISOR!"

As time wore on GOD found that now the arguing was louder because everyone had developed a stubborness and wanted everything done their own way. Now this was getting to GOD; so he exclaimed, "OY VEY! I'VE HAD IT WITH THIS ARGUING! YOU'VE GIVEN ME EXCEDRIN HEADACHE #1! I'M GOING TO CREATE A BEING THAT WILL KEEP YOU GUYS IN CHECK!" GOD now created a being with that supreme power; the power to charge a fee for delays in production, a Representative. When GOD showed the Representative the other beings the Representative broke down crying and wailing "Good Lord! It's a Yearbook Staff!!" And now, GOD stared in terror.

Beebo Yearbook Staff 1980-81

Ricky,
have fun this
summer and stay
out of trouble. It was
great having all of you
I hope to have more in the years to
come.

Always
Julie

Well, wasn't it a ☐ tremendous ☐ long ☐ sickening year?

☐ fun ☐ monotony ☐ stupidity

of school with you

☐ swell ☐ nice ☐ boring ☐ stupid kid

To a ☐ boring ☐ stupid

It was great sharing all the ☐ monotony ☐ stupidity to have some classes with you next year

It was ☐ nice ☐ disappointing ☐ a disaster to have fun ☐ don't bother me this summer

It will be ☐ a disaster ☐ don't bother me this summer

I hope you ☐ have fun ☐ don't break an arm

☐ come over ☐ call ☐ go fly a kite. Be sure to ☐ drop dead

And stay out of ☐ trouble ☐ my sight.

☐ Luv Ya. ☐ Best Wishes. ☐ Get Lost ☐ Who Cares?

Till then.
